

**9 April, 11 June, 13 August, 8 October,  
and 10 December 2013 @ 1800-1900**

# Sibling Class

Welcome to 4th floor in our Labor, Delivery & Postpartum unit Conference Room. The classes are targeted to siblings 3-8 years old, but siblings of any age are of course Welcome! We believe it is important that expectant families make special plans to help new “big sisters and brothers” prepare for their new roles and adjust to having to share mommy and daddy with the new baby. The classes are fun interactive sessions with color books and a fun video.

**Caregivers are asked to please bring a doll for  
the sibling to “practice” with.**

**Please Sign Up in the OB Clinic  
ring binder in waiting room**

**POINT OF CONTACT**
